

Ritual Of Liberation

Formula of liberation from spiritual restrictions

Pronounce this formula for three times, at night, before sleeping, for 21 days.

During this period – especially through your dreams and current emotional sensations - you will feel your deep energies, and external subtle friends as well, working on your subtle and spiritual bodies in order to remove the implants from all of them. You will feel sensation of freedom and relief.

I plead with my Profound Essence to pacify my concerns and nullify all what can interfere with this cure.

I ask my Superior Self to shield my aura and to create a sacred protected channel so that only the flow of my True Will could move towards me.

Focus your attention on the purple colour which is surrounding your body

Now I plead with the Absolute Essence of the Being for It to seal and to completely protect this sacred experience.

Now I plead with the Ascension Council to remove and to completely dissolve:

- dark foreign energy;
- implants and related parasite energies;
- terrestrial, extra-terrestrial and alien entities;
- etheric cords;
- agreements;
- curses and spells;
- fractured souls;
- transferred karma;
- spiritual weapons;
- micro-attractors;
- psychic larvae;
- parasite memories and temporal seeds;
- all the self-created and inserted devices that are restricting my nature and essence.

I AM FREE, I AM FREE, I AM FREE!

In this incarnation, through this act of free will,

I (*insert your name*)

revoke, overturn and renounce to every and to each one of the compromises of devotion, vows, initiations, agreements, oaths, baptisms, rituals and contracts of association which are not in tune with my Supreme Good, in all my present, simultaneous, multi-dimensional, past and future lives, in this Universe or wherever in the Mind of God.

In the name of my Conscience I order all the entities, that are linked to the contracts and organisations to which I renounce, to leave my physical, vital, psychic, subtle and spiritual bodies and my energetic and vital field, now and forever, and to remove all the related energies, implants and devices, even in a retroactive way.

I ask my Inner God to witness my complete liberation from all the known or unknown contracts, devices and related energies.

I am completely free now, here and wherever in time and space.

I cure and forgive any source and cause of all the restrictions I have abandoned and cure and forgive even myself in all my incarnations for all what must be forgiven between my Superior Self and myself.

I AM FREE. I AM PURIFIED. I AM READY.

Now I plead with the Absolute of the Being, inside and outside of me, to return all my original, natural and divine energies, memories, powers, senses and archetypes that were removed from me, in their purified state.

Now I am free from the chains of duality.

May the Sacred Seal be placed upon my heart.

May I be always and forever protected from all what – coming from outside of myself – might prevent me from doing my Free and True Will.

And from now on, I am going to use this restored freedom and awareness in order to assume full responsibility about what will come from myself, just as it should be.

Do What Thou Wilt Shall Be The All Of The Law.

Love is the Law, Love under Will.
